Self-fulfilling Prophecy:

Our Belief

Affected our behavior

Prophecy fulfilled

If a person perceives himself/herself as a failure, he/she will probably loss motivation graduatlly and has more chance of encountering failure.

If a person believes in his/her ability to admit to the University. His/her belief will motivate him/her to work hard in study. The chance of admitting to an ideal university will be higher.

Please trust yourself with Positive self-talk !!!
